Mother Teresa Institute of Science and Technology (MIST)

Programs and Admissions

Official-website-based knowledge document for the CampusConnect AI RAG project

• The official programs page lists undergraduate programmes in Computer Science & Engineering, Artificial Intelligence & Machine Learning, CSE (Data Science), Electronics & Communication Engineering, Electrical & Electronics Engineering, Mechanical Engineering and Civil Engineering.

• The page also lists postgraduate programmes including M.Tech specialisations and Master of Business Administration (MBA).

• Diploma programmes listed include CSE, ECE, EEE and Civil Engineering.

• The official M24 B.Tech academic regulations document says UG admission is based on a qualifying entrance-test merit rank such as Telangana EAMCET, or another merit route approved by the University, subject to government reservation rules.

• The official website has a separate Admission Procedure page. Check that page and the current admission notification for the applicable year, counselling steps, eligibility and required certificates.

• Do not treat this summary as a complete admission notification. Admission rules can change by academic year.
