Mother Teresa Institute of Science and Technology (MIST)

Examinations, Regulations and Syllabus

Official-website-based knowledge document for the CampusConnect AI RAG project

• The official MIST website provides Autonomous examination links for exam-branch staff, notifications, academic regulations, academic calendars, syllabus, examination timetables, results, previous question papers and malpractice rules.

• The official syllabus page lists B.Tech R22 syllabus links for CSE, CSE (AI & ML), ECE, Mechanical, EEE and Civil Engineering.

• The same page also lists M24 syllabus links and academic regulation resources.

• The official M24 B.Tech regulations describe Continuous Internal Evaluation (CIE) and Semester End Examinations (SEE).

• For current exam dates, fee-payment deadlines, hall tickets, results and timetable changes, consult the latest official examination notification. Those details are time-sensitive and are not fixed in this summary.

• R22 and M24 are separate regulation labels on the official site. Select the regulation matching the student's batch.
